

## Wish List

Finding a pathway out of poverty is a journey. While families take steps to improve their lives, they need a network of support. Items on our wish list can help meet a family's basic needs along the way. Items on this list can also help meet the needs of the organization as we support children and families taking steps out of poverty.

**Order items from our [Amazon Wish List](#) and they will be shipped to Festa! Be sure to choose “Festa – Jean’s Gift Registry Address” for shipping.**
