

Wish List

Finding a pathway out of poverty is a journey. While families take steps to improve their lives, they need a network of support. Items on our wish list can help meet a family's basic needs along the way. Items on this list can also help meet the needs of the organization as we support children and families taking steps out of poverty.

NEW: Order from our [Amazon Wish List](#) and items will be shipped directly to Festa!

Pick up any of the items below and contact us at 614-586-7939 for drop-off arrangements.
